Dear Friend of Highland Christian School,

The call is clear. As followers of Jesus Christ, we are commanded to keep the law of the Lord, to watch ourselves carefully, and not forget the great works He has done. We are also called to keep His work in the hearts and minds of our children at all times: when they sleep, when they wake, when they walk, and when they talk.

While we intuitively relate this to children in their youth, in fact, it matters at all ages! At every stage of life, from generation to generation, we must continually influence, encourage, and exhort one another to honor God first, always, in all things. This is one of the special roles Highland Christian School's Foundation seeks to fulfill.

As our Society has worked together with school leaders to administer and advance covenant model, Christ-centered education for 117 years, the Foundation seeks to develop resources and inspire long term stewardship decisions in keeping with this command. **Will you support these goals with a gift for the HCS Foundation today?**

The Foundation Fund exists for the exclusive use and benefit of Highland Christian School. Gifts given to the Foundation are invested and generate an annual gift that is used to support enrolled families with their tuition and to offset school expenses. When you support the Foundation, you strengthen, provide and protect our school and advance God's purposes in our students lives.

As Christian educators, it is our deepest hope that as children gain knowledge and develop skills in our classrooms, they will also be learning to see themselves through the lens of Scripture, realize the hope that is found in Christ, and come to know God as their personal Savior and Lord. Here, they flourish best!

We appreciate the role you play in our school community, the past support you have provided, and thank you for considering the impact you could make again with a gift during this year's Annual Foundation Appeal.

Warm regards,

Jodi Lineburg  
 Development Director

## THE HCS FOUNDATION | Vision & Impact A people gathered, a legacy preserved.

Our community has always had a heart for its families. Concerned with rising tuition costs in the mid 1980s, Highland Christian School's Finance Committee established the Foundation Fund as a means of supporting families in their pursuit of Christian education.

**This year, 247 students from 122 families received tuition support as a result of the Foundation's work.** After blessing all of the families who applied for this gift, the School Board invested the balance of this year's gift in the CHOICE Contingency Fund. This fund will be used to assist families with tuition should changes be made to the State scholarship program.

## FOUNDATION GROWTH | \$6,788,000 Appeals, ETC...A Thrift Store, Events, Planned Gifts
