

HIGHLAND CHRISTIAN SCHOOL

ACADEMICALLY EQUIPPED | BIBLICALLY GROUNDED | SPIRITUALLY NURTURED

March 2026

AUCTION IMPACT

Auction Event proceeds provide supplemental income for student activities, long-term strategic goals, building improvements, transportation, and technology needs.

Dear Friend of HCS,

We're on a roll at Highland Christian School! We've set the bar high and our sights even higher because the things we achieve today, open doors for our students tomorrow! As we prepare students now, for the tasks that lie before them, our ultimate goal is that they learn to be Scripture-following disciples of Christ, well equipped to serve God and make His glory known!

HCS AUCTION COMMITTEE

- Krista Boomsma
- Ellie Elzinga

- Jerry Kuiper
- Stephanie Postma
- Howie Ridder
- Olivia Ridder
- Mike Schutt
- Brian VanBaren
- John VanderPol
- Larissa VanderPol
- Kara VanderWoude
- Kathy Vant Hoff
- Chad Wognum
- Jennifer Wognum

Highland Christian School's Auction will be LIVE and online, Saturday, April 25, 2026. Will you participate with us as an event sponsor? Every gift, every bid, and every effort invested in this event is for the benefit of the kids! Cash sponsorships, gifts in-kind, excursions, service packages, event tickets, etc., all contribute greatly to the success of this fundraising event!

Auction donations must be received by March 20 to be listed in our catalog. Listings include the item, item description, and donor. If your contribution is valued at \$200 or greater, please provide us with a business card so that we might highlight your business in the advertising section of our Auction catalog. Cash donations are used to purchase items for Auction. If you wish to contribute, return the attached form or donate online at www.highlandchristian.org.

As always, we know the laughter will be loud and spirits high as our pack rallies together to raise funds for the year ahead. Thanks in advance for considering our request!

On behalf of HCS and the HCS Auction Committee,

Jodi Lineburg
Development Director
