

HCS T.R.I.P. -Tuition Reduction Incentive Program

Policies and Procedures

Registration

- Registration is open to anyone who would like to allocate their rebates to the tuition of a child attending HCS/SEC, Illiana Christian High School or to one of our HCS funds.
- Each participant must have a [registration form](#) on file with the TRIP office. Registration forms are available online and in the school office. Return completed form to the school office or email to trip@highlandchristian.org.
- New participants will receive an email containing the HCS online ordering code and other important information after their registration form is processed.
- Registration forms need to be updated yearly if you have a child attending HCS who is picking up orders (SEC students are not eligible for this option) or if you decide to change how you allocate your funds.

Tuition Earnings

- Earnings (with TRIP fees deducted) are applied to tuition accounts in August, November, February and May (except for Future Family Accounts).
- Earnings for shop online, dining online or vouchers may not be issued within the same quarter a purchase was made.
- Statements are issued in August, November, February and May.
- If you notice any discrepancies, contact the TRIP office at trip@highlandchristian.org within 15 days.
- TRIP earnings are not tax deductible. These earnings are rebates that are designated for tuition not donations.

Future Family Accounts

- Families planning on the future education of their student at SEC or HCS may participate in this fund. Earnings will be held in a prepaid tuition account and will be updated in August, November, February and May.
- Future Families whose accounts are dormant for 2 years will be contacted for distribution to another account. If there is no response within 60 days, all earnings will be transferred to the HCS TRIP account.
- Earnings will be released to the desired fund with written notice only.

TRIP Fees

- All earnings have a small deduction to cover TRIP operating expenses and a small profit. 96% of earned rebates (not purchase price) go to the participant and 4% goes to TRIP for operating expenses. For Example:

Your Purchase	% of Rebate	3% TRIP Fee
Visa EGift Card \$100	1.6%/\$1.60	\$0.05
Meijer Reload \$200	3%/\$6.00	\$0.18
Gap Gift Card \$50	10%/\$5.00	\$0.15
Total purchase = \$350	Total rebate = \$12.60	Total TRIP Fee = \$0.38

Total earned rebate after TRIP fee deducted = \$12.22
